Hi Steve,

So we are putting the files on two thumb drives for you and Tom. We can have them over to your office building between 9:45 to 10 am. Since the lobby is secured, how can we get those thumb drives to you?

Thanks
Doug

Hi Steve,

Our IT person resent the link to you. Try that link and if it doesn't work then it is likely the firewall on your side as everything checks out ok here. Let me know if you can't access it and I'll have copies put on a thumb drive and brought over to your offices.

Thanks
Doug

Doug, I cannot access "the box". I tried signing on as a single account user and entered my email address. I receive an "invalid sign on credential" notice (move screen to the right. I haven't figured out how to print just one of my two screens).

Dear Steve,

Our report regarding the summer 2015 activities at MHS/JCES and cover letter is available for your review. The cover letter is attached but the report files are large so we will be posting to a box site for your download. A little later this afternoon, you will receive a notice from Box under a separate email. Let me know if you have any issues with downloading the files.

I've also attached a letter from the District to EPA regarding the summer 2015 removal activities.

Let me know if you have any questions or would like to discuss the report.

Regards,
Doug
